

## WISH LIST

Meow Stories Cat Rescue is a registered 501©3 non-profit, volunteer run, foster-based rescue striving to find homes for cats & kittens in Virginia. Meow Stories focuses on providing basic medical care including spaying/neutering & vaccinations prior to adoption. With foster homes throughout the state, Meow Stories is able to maximize its ability to save felines throughout the state. Meow Stories has had great success working with underserved, rural rescues to network, transport, & adopt out cats & kittens which otherwise would have no chance at leaving the shelter environment. Since being founded in 2009, Meow Stories has continued to increase its adoption efforts & saw its most successful year yet with over 1000 adoptions in 2020.
